REMARKS

Claims 27-29, 31, 32, and 34-38 will be pending upon entry of the present

amendment. Claim 27 is amended and claims 30, 33, and 39-43 are cancelled.

Applicant thanks the Examiner for indicating the allowability of the subject

matter of claim 33. Accordingly, claim 27 has been amended to incorporate the subject mater of

claim 33 and intervening claim 30, placing independent claim 27 in condition for allowance,

together with dependent claims 28, 29, 31, 32, and 34-38. Rejections of these claims are

therefore moot and will not be addressed further.

Claims 39-43 are cancelled without prejudice, waiver, or disclaimer, thereby

rendering their rejections moot, as well.

Applicant respectfully submits that all remaining claims are now in condition for

allowance, and therefore requests that the Examiner reconsider this application and timely allow

all pending claims. Examiner Larson is encouraged to contact Mr. Bennett by telephone at (206)

694-4848 to address any informalities that may remain unresolved.

The Director is authorized to charge any additional fees due by way of this

Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
